

SAHIL AHIRWAR

Aspiring Data Analyst

Delhi, India | sahilahirwar20005@gmail.com | +91 7024692535

github.com/sahilahirwar571 | [Portfolio](#)

PROFESSIONAL OVERVIEW

Analytical and detail-oriented aspiring Data Analyst with hands-on project experience in Excel, SQL, Python, and Power BI. Skilled in data cleaning, exploratory data analysis, dashboard creation, and translating raw, large-scale datasets into clear, actionable business insights. Currently building on this foundation through structured training and self-driven projects.

TECHNICAL SKILLS

- **Advanced Excel:** Pivot Tables, Slicers, Interactive Dashboards
- **MySQL:** Joins, Subqueries, CTEs, Window Functions
- **Python:** Pandas, NumPy, Matplotlib, Seaborn
- **Power BI:** DAX, Interactive Dashboards, KPI Reporting
- **Core skills:** Data Cleaning & Validation, Exploratory Data Analysis (EDA)

TRAINING & PRACTICAL EXPERIENCE

Data Analyst Trainee — Indian Institute of Training for Software and Computing Lab (IITSCL)

June 2025 – Present

- Worked on real-world datasets using Excel, SQL, and Python (Pandas, NumPy) to practice data cleaning, validation, and integrity checks across multiple sources
- Built Power BI dashboards as part of hands-on training to simulate real business reporting and data visibility workflows

PROJECTS

Excel — github.com/sahilahirwar571/Excel-Project

- Built an interactive dashboard analyzing 31,000+ e-commerce orders for Vrinda Store using pivot tables, slicers, and dynamic charts to uncover sales trends, customer behavior, and channel performance

Python — github.com/sahilahirwar571/Python-Project

- Performed exploratory data analysis on 11,000+ Diwali sales transactions using Pandas, NumPy, Matplotlib, and Seaborn to profile customer purchasing behavior by gender, age, state, occupation, and product category

SQL — github.com/sahilahirwar571/Sql-Project

- Wrote MySQL queries using joins, subqueries, CTEs, and window functions (RANK, running totals) across three projects — Superstore Sales Analysis, Hospital Management, and Movie Streaming — to analyze sales trends, records, and content performance

Power BI — github.com/sahilahirwar571/Power-bi-Project

- Built an interactive Ola Ride Analytics Dashboard with DAX measures, slicers, and KPI cards to analyze ride bookings, cancellations, and operational performance trends

EDUCATION

Bachelor of Arts (Hons.) in Political Science — School of Open Learning, University of Delhi

2025 – Present | Expected Graduation: 2028

- 12th — MPBSE, 2024
- 10th — MPBSE, 2022

ADDITIONAL INFORMATION

- **Languages:** English, Hindi
- Strong attention to detail, built through structured, hands-on training across Excel, SQL, Python, and Power BI
- Quick learner, comfortable adapting to new tools and datasets
